Hi TOD, per request - Current status. (b)(6); (b)(7)(C) is out today FYI.

I personally had no time to update you on the expansions since they broke late last night and needed to document the main intent for ERO.

We (b)(7)(E) did not mix in the detailed target categories from your Monday white paper into this plan but your work is recognized at the ICE front office already as part of the overall effort, based on traffic I saw today, and (b)(7)(E) is on board. Any questions please let me know and cc (a)AD (b)(6); (b)(7)(C) thanks.

I had one comment on the operation plan but other than that it looks good from my perspective. You did not add attachment two but duplicated the operation plan when you sent it out. Please let me know when this is finalized so I can socialize it with AD (b)(6); (b)(7)(C)

Thanks
